# THE WOLVES AND WILDLIFE OF YELLOWSTONE

Orbridge

Dear Alumni and Friends,

Join us on a thrilling wintertime expedition to Yellowstone National Park for a unique opportunity to witness packs of wolves in their pristine natural habitat. Aboard specially equipped vehicles that allow for both comfort and proximity to incredible wildlife, you'll have a chance to view wolves, bison, elk, an array of bird species and other magnificent creatures that call the park home.

Visiting Yellowstone in winter is an experience that transcends words. The air is crisp with the scent of pine trees and the promise of adventure. A serene hush envelops the snow-covered landscapes, providing the perfect backdrop to nature's drama unfolding before your eyes.

In addition to daily park exploration, you'll venture to Mammoth Hot Springs to observe the awe-inspiring Old Faithful geyser, a true icon of Yellowstone's geothermal marvels. You'll also meet an award-winning wildlife photographer at his studio and hear his stories of amazing animal encounters.

This is a small-group expedition and space is limited. With significant savings of more than \$1,000 per couple, we anticipate this tour will fill quickly.

To reserve, visit [msstate.orbridge.com](http://msstate.orbridge.com), call (866) 639-0079 or return the attached reservation form.

Sincerely,

Jeff Davis

### **What Guests Are Saying...**

*The Wolves and Wildlife of Yellowstone program is wonderful. We enjoyed the opportunity to see so much of the northern range. The Expedition Leaders were knowledgeable and kept on top of where the next opportunity for wildlife viewing was. The number of types of wildlife we were able to see was incredible. We've visited Yellowstone in the summer, and it doesn't even compare to what we were able to see on this trip.*

~Karen A., Yardley, PA

*This was our second Orbridge tour! Highly recommend it and looking forward to more adventures! This experience will stay with us for years to come. It was truly unforgettable and magical. The variety of wildlife we saw was incredible. Viewing Old Faithful with just a handful of other people is truly a rare experience. The scenery was also just beautiful.*
